

# SPETM 2026

## SUSTAINABLE POWER ENERGY TRANSPORTATION AND MATERIALS CONFERENCE

### CALL FOR PAPER

Theme:

**INNOVATIONS FOR A SUSTAINABLE  
AND INTELLIGENT ELECTRIFIED FUTURE**

Conference Dates:

**11th - 12th of June 2026**

Conference Venue:

**School of Tourism and Hospitality,  
University of Johannesburg Auckland  
Park Bunting Road (APB) Campus,  
Johannesburg, South Africa**

The Sustainable Power, Energy, Transportation and Materials (SPETM) Conference 2026 invite original research contributions, case studies, reviews and innovations from academia, industry, government, and research institutions. The conference brings together experts in power systems, renewable energy, electromobility, electronics, control, material science, and fourth industrial revolution (4IR) technologies for power and energy systems to discuss developments that are shaping a sustainable future.

SPETM 2026 provides a unique platform for sharing advanced research findings, exploring interdisciplinary collaborations, and discussing emerging challenges in next-generation energy and transportation systems.

### IMPORTANT DATES

- FULL PAPER SUBMISSION DEADLINE: 22nd March, 2026
- NOTIFICATION OF ACCEPTANCE: 24th April, 2026
- CAMERA-READY PAPERS DUE: 15th May, 2026
- CONFERENCE DATES: 11th - 12th June, 2026

### MAIN CONFERENCE TRACKS

- SMART POWER AND ENERGY SYSTEMS
- RENEWABLE ENERGY SYSTEMS
- ELECTROMOBILITY & TRANSPORTATION SYSTEM
- SMART GRID AND SMART CITY TECHNOLOGIES
- MICROGRIDS & DISTRIBUTED GENERATION AND STORAGE
- POWER ELECTRONICS & DRIVES
- POWER QUALITY & HARMONICS MITIGATION
- POWER SYSTEMS, AUTOMATION & CONTROL
- 4IR TECHNOLOGIES IN SMART GRID & ENERGY SYSTEMS
- SUSTAINABLE FUELS AND GREEN CHEMISTRY
- SUSTAINABLE MATERIAL SCIENCE

### SUBMISSION GUIDELINES

- Full papers must present **original, unpublished work**.
- All submissions will undergo **double-blind peer review**.
- Accepted and presented papers at the conference will be submitted for inclusion in a **Scopus-indexed proceeding** published by edp Sciences E3S Web of Conferences.
- Manuscripts must adhere to the provided **conference paper template**. The maximum length of the manuscript is **8 pages**.
- Submission link: <https://cmt3.research.microsoft.com/User/Login?ReturnUrl=%2FSPETM2026%2FSubmission%2FIndex>
- Further details are available on the conference website: [www.spetm.org.za](http://www.spetm.org.za)

### CONFERENCE HIGHLIGHTS

- Workshop on Electromobility Experts
- Keynote lectures by global experts
- Technical presentations and poster sessions
- Industry and innovation exhibitions
- Networking, mentorship, and collaboration opportunities
- Special sessions and panel discussions on emerging trends

### WHO SHOULD ATTEND?

- Academics and researchers
- Power utilities and energy professionals
- Electric Vehicle and transportation engineers
- Smart grid technology developers
- Chemical and environmental scientists
- Policy makers and industry stakeholders

### FOR ENQUIRIES

- General enquiries - [info@spetm.org.za](mailto:info@spetm.org.za)
- TPC enquiries - [tpc@spetm.org](mailto:tpc@spetm.org).
- Registration enquiries - [registration@spetm.org.za](mailto:registration@spetm.org.za)
